

Throughout the month of November we have successfully completed our fulfilment plans. The requirement of Old Age Home , ABWU was monthly Groceries which we have given on time. Three ceiling fans and one mounted fan were provided to Welfare Society for the Blind as par their monthly requirement.

Though we work for our beneficiary NGOs, still in this matter , the most constructive and important part is played by our generous donors. This month the most significant donation was made by Mrs.Sunanda Sen as a tribute to the elders of her family. She arranged for an elaborate and delicious lunch for forty inmates of

Prabartak Samgha Home. This sumptuous lunch along with new Puja Clothes for all, have filled the hearts of all the children with joy and happiness. All the children we are talking about, are homeless and many of them are handicapped in different ways . We convey our loads of thanks and heartfelt gratitude to Mrs.Sunanda Sen.

In our journey to bring happiness to the have-nots, the Corporate sector has already extended their hands for support. CGM , Indian Bank, Kolkata has approved 5 numbers of Wheel Chairs @ Rs 7000 each for Asha Niketan . We are extremely

grateful to the Indian Bank for this noble work .
