Dear Our Partners in service

Warm Greetings from Rotary Club of Belvedere Gardens Calcutta.

This is to place on record our sincere gratitude and profound thanks to all of you for your unstinted support in our strive towards child literacy and community development. Your significant contributions in our school over a considerable period have left a significant mark in our heart.

We are also greatly delighted to find in each one of you a votary of human dignity championing the age-old saying that 'service to man is service to God'.

It is our firm conviction that with your abiding love and kindness for the under privileged, we will be able to deliver bigger, better and bolder projects in the days to come.

We once again thank you and pray to the Supreme Almighty for your health, happiness and prosperity.

Best Regards

Dr. Prasanta Bhattacharya

President
