Mr. Arun Bhattacharya and other members present at the meeting held on 20.07.2019 at 10C Anwar Shah Road

We agree to all your suggestions about administration.

We are very grateful to you to comply with our request to have some of your Lady Members -Anindita Roy, Shubhra Dutta, Kuntala Sen, Anita Bhattacharya and Male Members - Shivabrata Dutta and Arun Bhattacharya to be part of our Governing Body.

We accepted that the above Body would meet bimonthly to review the program and progress of the School Activities .

We endorse all your proposals regarding retention of students. The guidelines given for making the students more school oriented , the introduction of indoor games, workshop, extra curricular activities etc. are very much interesting, so welcomed too. We will try our utmost to follow these guidelines.

We are also grateful for accepting our suggestion regarding payment of Mid-day meal expenditure. The balance amount of your contribution of ₹9500 a month may be utilised as payment for a Music/Dance teacher. The payment will be made by cheque directly by you.

We, the members of the School Committee , thank all of you for your wise and purposeful advice for running the school efficiently.
