Dear Shaurya ,

On behalf of South Point 66 Social Welfare Society, I want to say a huge Thank You for your donation of Rs 7000 sent through your Pravin Uncle for Welfare Society for the Blind. We could not hand over this amount to the Society earlier as

they were closed due to Nation wide lockdown because of current pandemic. We sincerely apologize for this delay and at the same time we appreciate your generosity.

Research suggests that children have a deep rooted instinct to share and to help others from the time they are very young children it seems, have a strong natural drive to be kind and generous and you are no exception. I think helping our kids experience the happiness that comes from giving to others is probably one of the most valuable ways we can nurture generosity in them.

Your donation helped our charity Partner Welfare Society for the Blind students for their one day of specialized education to change the life of a child with visual impairments. It could be the day they type their first Braille word or the day they shine with confidence as they navigate the playground independently to play with friends.

Your above contribution will help someone to change his / her

life who is looking for better tomorrow with low or poor vision. Such help from youngsters like you will make them smile again.

Thank you once again for your noble act. Must visit our FB page -- South Point 66 Social Welfare Society as well as our Portal : <https://www.sphsgbs66.org>

Arun Bhattacharya
