Dear Team GBS-SPHS1966 BATCH

May I take this opportunity to express our heartfelt gratitude to all of you for extending solid support to the under privileged children of our Anandan. Since the last few years you have given the children school bags, study tables , badges ,uniforms and many other utility goods. Your unflinching support has indeed benefitted the children a lot. I do hope that you all will stand by us in near future. On behalf of Anandan, I would like to thank you all for your kind support

Warm Regards  
SHIMANTI BOSE
