Dear Sreerupa and Sreeparna ,

Thank you for your generous donation of INR 7,516 to support our cause in providing support to Prabartak Sangha, home for 52 Orphanage, out of which 33 of them are severe epilepsy patients for purchase of food for all inmates. Huge support amidst the pandemic crisis and Amphan Cyclone devastations.

Your generous support will help us continue working towards fulfilling our objective of looking after those under privileged people whom society in large has abandoned . You truly make the difference for us, and we are extremely grateful !

If you have specific questions about how your donations are being used, or about Prabartak, please don't hesitate to contact myself at 8088235766 or email me at gbssphs2018@gmail.com.

Such support from friends and well wishers help us to fulfill our mission of Helping , Healing & Caring.

Thank you once again for your generous donation.

Regards

Arun Bhattacharya
